SAVE up to $500

When you purchase a high-efficiency heating oil system (valid while funds last).

One rebate per household. To qualify for rebate, property must be located in New Jersey and the system that is installed must be higher efficiency than the system that is being replaced.

Present this coupon to your heating oil company during purchase.

I am installing:

- ☐ **A new heating oil boiler – $300**
- ☐ **A new heating oil furnace – $250**
- ☐ **A new integrated heat and hot water unit – $500**
